2018 Principal Application

Helping Here.[®]

Purpose

Created in 2002, the H-E-B Excellence in Education® Awards are designed to honor outstanding public school professionals and to thank them for their dedication and commitment. Through this program, H-E-B seeks to pay tribute to those educators who go the extra mile each and every day to serve their students and their communities and who inspire others to do the same.

Eligibility

- Active Public School Principal with a minimum of three years of experience as a campus level principal; minimum of two consecutive years on the same campus
- State certified public school principals currently administrating within Texas
- Proven community leader
- Current TASSP and TEPSA Statewide officers are not eligible
- Principals who have been previously selected as a statewide winner are not eligible to reapply

Criteria

Nominees will be judged according to the Texas Professional Standards for Principals with special emphasis on:

- Leadership and Campus Culture
- Instructional Leadership and Management
- Communication and Community Relations

Evaluation Process

All written applications will be screened and scored by a team of professional readers. Regional finalists will be selected by a panel of judges comprised of educators, administrators and community leaders. There are five identified regions within the H-E-B service area and two (2) finalists will be selected from each area, one elementary and one secondary.

Applications from the ten (10) finalists will then be reviewed by the statewide selection committee. The committee will conduct personal interviews with each candidate during a special two-day event to be held in May 2018. The event will culminate with the announcement of two (2) overall statewide winners during a recognition dinner and celebration.

Awards

The ten (10) regional finalists will be notified of their selection on their individual campuses beginning in February. During surprise visits from H-E-B officials and members of the community, each finalist will be presented with a check for \$1,000 for themselves plus a \$2,500 grant for their schools. In addition, each finalist will receive an all-expense paid trip to the awards celebration in May including a special reception in their honor.

Elementary School Winner - \$10,000 for the principal and \$25,000 for his or her school

Secondary School Winner - \$10,000 for the principal and \$25,000 for his or her school
