

Order Add-On: How it works

Forgot something in your order? No problem! **Up to 4 hours** before your scheduled pickup or delivery time, you may add a few items to your order.

1 View Your Order History

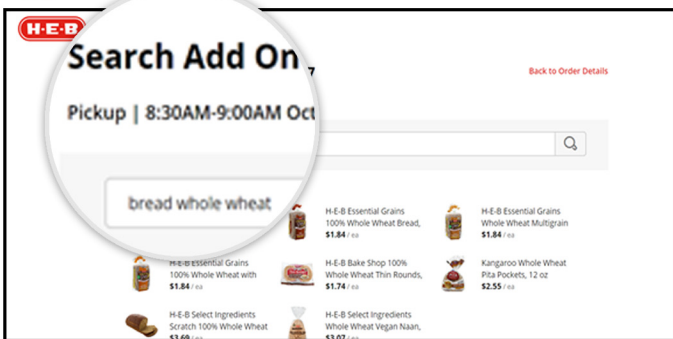

Select your most recent order.

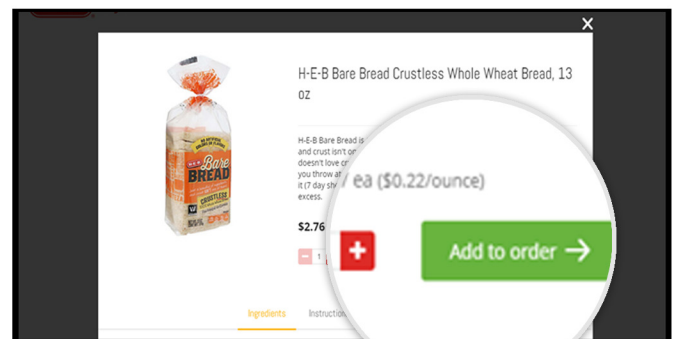

At the top of your Order Details click on the Select Add On button

2 Select Add On

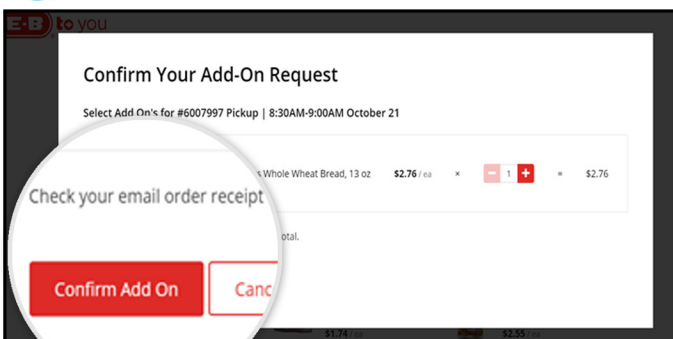

Search for an item to select,...

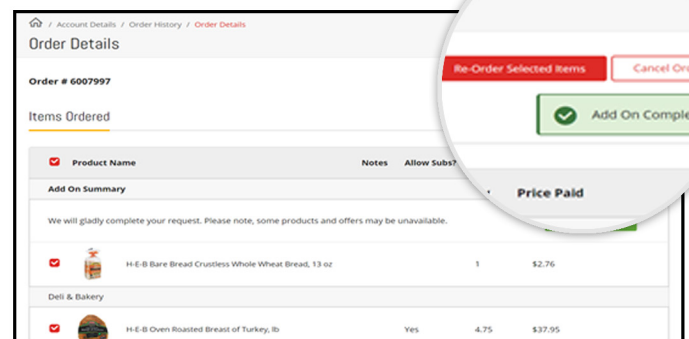

...then add to your order.

3 Confirm Your Request

Your additional item(s) will be included in your order receipt email.
